

NOTICE INVITING EXPRESSION OF INTEREST (EOI) / TENDER

Project: Common Infrastructure Development at a Successfully operational Industrial Park in Howrah, West Bengal

Applications/Bids are invited from reputed, experienced, and technically sound Civil Engineering Contractors / Consortiums for the execution of comprehensive **Common Infrastructure Development Works** spanning across an industrial area of **300 Acres** which is the additional phase of the existing project area

Core Scope of Work:

Interested participants must note that the complete project scope encompasses the following execution and engineering parameters:

- **Survey & Engineering Layouts:** Conducting detailed topographic and land survey work for the entire 300-acres.
- **Design & Drawings:** Preparation and submission of complete architectural, structural, and detailed working design drawings for all infrastructure components within their explicit scope.
- **Civil Infrastructure Network:** Complete execution of internal infrastructure, including: Comprehensive Road Network (including robust **Bituminous Roads** and pavement finishes).
- **Design-integrated Drainage Systems** (Surface & Storm water drains).
Extensive Sewer Line Network alongside necessary utility connectivity.
Supply and installation of standard aligned Kerb Stones along all corridors.

Key Terms & Conditions for Participation:

- **Utilization of Existing Data:** The selected agency/contractor must utilize and take necessary guidance/assistance from our existing **Bill of Quantities (BOQ)** framework to design and execute all subsequent phases of this industrial park expansion project.
- **Turnkey Responsibility:** The entire process—right from initial site surveying, layout engineering, drawing approvals to actual on-site civil commissioning—will fall strictly under the bidder's operational scope.
- **Schedules & Compliances:** Rates and estimation parameters for any aligned evaluation must be aligned with current industrial engineering standards and valid schedules.

Interest and eligible companies are requested to send their credentials and all relevant documents over **email I.D : ceo@fcda.in positively by 14th August, 2026**. Short listed ones would be provided with BOQ etc after completion of initial screening.
